Smokey Mountain Smelters Superfund Site, Knox County Tennessee**

Dear Region 4 FOIA Officer:

This request is made as a supplement to an earlier request for information related to the above referenced site made by me on August 31, 2018.

Pursuant to the Freedom of Information Act (5 U.S.C. § 552), I hereby request copies of any documents maintained by your agency regarding the subjects below:

- Documents discussing, referencing, or evaluating other potentially responsible parties at the Smokey Mountain Smelters site other than those previously disclosed. This request includes, but is not limited to, all documents evaluating the potential liability of any party for cleanup efforts at this site under CERCLA (42 U.S.C. § 9607).
- In particular, historic documents that make reference to any potentially responsible party at the Smokey Mountain Smelters site, which led the EPA to believe that the entity may be a potentially responsible party under CERCLA (42 U.S.C. § 9607).

Copies may be mailed to me at the address above. Electronic copies of documents in common formats (such as pdf) are acceptable.

Lathrop Gage LLP agrees to pay the reasonable search, photocopy and certification fees applicable to processing this request up to \$150. Please contact me if you believe the fees may exceed this amount or if you require prepayment of any fees.
